Mount Penn Borough Municipal Authority Board of Directors,

Thank you for your communications on July 23, 2026 and August 7, 2026. We are also familiar with the votes taken by the Board at your August 12, 2026 meeting.

Borough Council discussed these communications; at this time we do not plan to deviate from our current path. That includes our filings with the Court of Common Pleas and moving forward with assumption of the Authority's liabilities, and the subsequent dissolution.

If your intention is to save ratepayers funds and avoid this unnecessary litigation, we would be most grateful. Please forward the certificate of termination (provided to Attorney Gill via email) that will be held in abeyance until the liabilities have been fully resolved.

Please complete the following by the end of the August: direct the Authority's actuary to complete an actuarial valuation for the existing pension assets and liabilities and work with the Borough staff to prepare an ordinance for the transfer of the retirement plans; identify existing time-off balances for all employees that would be paid out in separation; provide us a letter consenting to the PENNVEST loan transfers which will be shared with them.

If you are truly committed to avoiding litigation, please complete the above tasks and we will provide you with further directions for any other dissolution activities.
